It is the company's policy to insure that the Whistler Blower are not victimized or denied direct access to the chairman of the Audit Committee. The existence of said policy mechanism has been communicated to all employees.

MANAGEMENT DISCUSSION AND ANALYSIS

The Company is in the business of oil field service and mainly focused on Mudlogging Services, Drilling Data Monitoring Services and Wireline Services. The key issues of the Management Discussion and Analysis are given below.

(a) Industry structure and developments

The size of the oil and gas industry in terms of turnover stands at USD 160 bn. The value of crude oil and LNG imports into India in 2011/12 were around US\$98 billion. About 78 per cent of India's petroleum consumption is met from imports (mostly of crude oil), while about 25% of natural gas (including LNG) consumption comes from imports.

The growing oil and Natural Gas exploration world over and specifically in India have given great opportunity for the company.

(b) Strength

The strength of a company is known from the profit it earns during the last years and sound advances. It also depends on the Government policies of taxation. All round economic reforms and consequent growth in the sector will give boost to the company's business.

(c) Comment on Current year's performance

Receipt	: The Receipt has been phenomenal for the first Year of its operations.
Operating Expenses	: The operating Expenses are well under control.
Operating Profits	: The Operating Profits are up to industry mark.
Indirect Expenses	: The Indirect Expenses are under control.
Depreciation	: Reasonable amount of Depreciation is provided.
Profit before tax	: Profit before tax is also an improving trend.
Taxation	: Taxation is Provided as per Income Tax Act.
Debtor/Sales	: Debtors are reasonable.
Creditors/Purchase	: The Company has an established credit.

d) Opportunities and threats

Over the next decade, global demand for oil & gas is set to rapidly increase as rising populations and economic growth help to drive the industry. This will create a need for additional oil & gas infrastructure to be constructed. At the same time, many countries around the world are currently facing a number of security challenges stemming from civil unrest, terrorist activities, and a competitive global market. Together, these factors will create substantial opportunities for companies involved in the oil & gas infrastructure.

(e) Segment wise performance

The business of the Company falls under a single segment i.e. Mudlogging activity related to exploration of oil and natural gas for the purpose of Accounting Standard AS-17.

(f) Outlook

The continual increase in demand of oil and other limited resources in India and other countries is expected to give the necessary support to the oil industry. The Company is making all efforts to accelerate growth of its business. It expects to improve its position in the market by focusing on technological advancement and by working aggressively in the areas of productivity, efficiency and cost reductions.

(g) Risk and concerns

The main risk factors are internal to the company. The Company is expecting some big contracts from Indian and Non-Indian corporate in the Current year. The materialization of the same may effects the future operations of the company.

(h) Internal control system

Internal audit and other controls have been found to be adequate. These are reviewed periodically by the Audit Committee and found the performance satisfactory.

(i) Developments in human resources and industrial relations

Information as per Section 217 (2A) of the Companies Act, 1956 read with the Companies (Particular of Employees) Rules, 1975 is not required to be given as no employee falls under it. The Company continued to have cordial relations with all the employees.

AUDITORS REPORT

TO THE MEMBERS OF GEOLOGGING INDUSTRIES LTD.

1. **We have audited the attached Balance Sheet of M/s. GEOLOGGING INDUSTRIES LTD.** as at 31st March, 2013 and the Profit & Loss Account and also the Cash Flow Statement for the year ended on that date annexed thereto. These Financial Statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditors' Report) Order, 2003 issued by the Company Law Board in terms of Section 227 (4A) of the Companies Act 1956 (1 of 1956) we give in the Annexure a statement on the matters specified in paragraph 4 & 5 of the said Order.
4. Further to our comments in the Annexure referred to in Paragraph 3 above, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of such books.
 - (c) The Balance Sheet and Profit & Loss Account and Cash Flow Statement referred to in this report are in agreement with the books of account.
 - (d) On the basis of confirmations received from the Directors of the Company, and the information and explanation given to us, none of the Directors of the Company are

disqualified from being appointed as Directors of the Company under Clause (g) of Sub-Sec(1) of Section 274 of the Companies Act, 1956.

(e) In our opinion the Profit and Loss Account and the Balance Sheet and Cash Flow Statement comply with the accounting standards defined in sub-section (3C) of Section 211 of the Companies Act, 1956.

(f) In our opinion, and to the best of our information and according to the explanations given to us, the said Balance Sheet and the Profit & Loss Account read together with the notes thereon give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view:

i) In so far as it relates to the Balance Sheet of the state of affairs of the Company as at 31st March, 2013 and

ii) In so far as it relates to the Profit & Loss Account of the Profit of the Company for the year ended on that date.

iii) In the case of the Cash Flow Statement of the Cash Flow for the year ended on that date.

ANEXURE TO AUDITOR'S REPORT

Referred to in Paragraph 1 of my report of even date.

- i) On the basis of such checks as we considered appropriate and in terms of the information and explanations given to us, we state that:-
 - a) The records of quantitative details and situation of Fixed Assets could not be verified as the Company has not provided us with the same.
 - b) As explained to us, fixed assets, according to the practice of the Company, have been physically verified by the Management at reasonable intervals, which in our opinion, is reasonable, having regard to the size of the Company and the nature of its business, during the year. According to the information and explanations given to us, no material discrepancies were noticed on physical verification of assets.
 - c) The Company has not disposed off substantial part of fixed assets during the year.
- ii)
 - a) Physical verification of inventory has been conducted at reasonable intervals.
 - b) The procedure and interval of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - c) The company is maintaining proper records of inventory. No discrepancies were noticed on verification between the physical stock and book record.
- iii)
 - a) The Company has granted unsecured loan to its associate concern M/s. Mono Acriglass Industries Ltd amounting to Rs.219.48 lakh.
 - b) There is no stipulation as to the repayment of the principal or the interest on the above loans.
 - c) Neither the principal amount nor the interest has been repaid by the associate M/s. Mono Acriglass Industries Ltd.
 - d) This associate has become a sick unit and the same is with BOARD FOR INDUSTRIAL AND FINANCIAL RECONSTRUCTION for reconstruction. Since the matter is with the BIFR at present, no steps can be taken to recover the amount.
- iv) There is an adequate internal control procedure commensurate with the size of the Company and the nature of its business with regard to purchase of inventory and fixed

assets and for sale of goods. We have not observed any continuing failure to correct major weakness in the internal control system.

- (v) a) The Register to be maintained u/s 301 could not be verified as the company has not provided us with the same.
b) It is not possible to comment on the reasonableness of the prices at which the transactions have been entered into considering the technical nature of the business and the unavailability of the Registrar to be maintained u/s.301.
- (vi) According to the information and explanation given to us, the Company has not accepted any deposits from the public.
- vii) In our opinion, the internal audit function carried out during the year by a firm of Chartered Accountants appointed by the management has been commensurate with the size of the Company and the nature of its business.
- viii) The Central Government has not prescribed the maintenance of cost records under Section 209(1)(d) of the Companies Act, 1956 for the Company.
- ix) According to the records of the Company, the Company is irregular in depositing with appropriate authorities undisputed statutory dues. The following dues are outstanding as at the last day of the financial year concerned for a period of more than 6 months from the day they become payable. Service Tax Rs.45,86,184/- , Profession tax Rs.1, 35,995/- & CST Rs.2, 97,255/- .
- x) The Company's accumulated loss at the end of the financial year is not more than fifty percent of its net worth. The company has earned cash profit during this financial year, and in the previous financial year.
- (xi) According to the records of the company, the company has not borrowed from financial institutions or bank or issued debentures till 31st March 2013. Hence, in our opinion, the question of reporting on defaults in repayment of dues to financial institutions or banks or debentures does not arise.
- (xii) The company has given guarantee for Term loan granted to its associate concern M/s. Mono Acrylic Industries Ltd. The terms and conditions of this guarantee don't seem to be prejudicial to the company. However there is no counter guarantee taken by the Company in case the lender invokes the guarantee given by the Company.

- (xiii) On the basis of records examined by us and according to the information and explanations given to us, the company has not taken any term loan during the year.
- (xiv) On the basis of records examined by us and according to the information and explanations given to us, the company has not used any short term funds for long term application.
- (xv) Since the Registrar u/s.301 has not been maintained it is not possible to comment whether the Company has made preferential allotment of shares to parties and companies covered in the register maintained under section 301 of the Act during the year.
- (xvi) According to the information and explanations given to us, and to the best of our knowledge and belief, no fraud on or by the Company, has been noticed or reported by the Company during the year;
- (xvii) Looking to the nature of activities being carried on at present by the Company during the year; and also considering the nature of the matters referred to in the various clauses of the Companies (Auditors' Report) Order, 2003, clauses (xii),(xiii) , (xiv) and (xix) of paragraph 4 of the aforesaid Order, are in our opinion, not applicable to the Company.

Schedule 19

	Particulars
	<u>Significant accounting policies</u>
a	Basis of accounting and preparation of financial statements
	<p>The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p>
b	Use of estimates
	<p>The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.</p>
c	Depreciation and amortisation
	<p>Depreciation has been provided on the written down value method as per the rates prescribed in Schedule XIV to the Companies Act, 1956.</p>
	<p>Pro-rata Depreciation is provided on additions/disposal of fixed assets during the year.</p>
d	Revenue recognition
	<u>Sale of units</u>
	<p>Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of units to customers. Net sales exclude excise duty, sales tax and value added tax.</p>
	<u>Income from services</u>
	<p>Revenues from contracts priced on a time and material basis are recognised when services are rendered and related costs are incurred. Revenues from turnkey contracts, which are generally time bound fixed price contracts, are recognised over the life of the contract using the proportionate completion method, with contract costs determining the degree of completion. Foreseeable losses on such contracts are recognised when probable.</p>
	<p>Revenues from maintenance contracts are recognised pro-rata over the period of the contract.</p>
e	Other income
	<p>Interest income is accounted on accrual basis. Dividend income is accounted on receipt basis.</p>

f Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation. The cost of fixed assets include other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.

g Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are restated at the year-end rates.

In the case of integral operations, assets and liabilities (other than non-monetary items), are translated at the exchange rate prevailing on the Balance Sheet date. Non-monetary items are carried at historical cost. Revenue and expenses are translated at the average exchange rates prevailing during the year. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss.

The exchange differences arising on restatement / settlement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets or amortised on settlement / over the maturity period of such items if such items do not relate to acquisition of depreciable fixed assets. The unamortised balance is carried in the Balance Sheet as "Foreign currency monetary item translation difference account" net of the tax effect thereon.

h Government grants, subsidies and export incentives

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

i Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties. Investment properties are carried individually at cost less accumulated depreciation and impairment, if any. Investment properties are capitalised and depreciated (where applicable) in accordance with the policy stated for Tangible Fixed Assets. Impairment of investment property is determined in accordance with the policy stated for Impairment of Assets.

j Employee benefits

Contributions to Provident Fund for the year are recognized in the Profit & Loss Account.

The liability towards gratuity, leave encashment, post retirement benefits and other long-term benefits are provided for in the accounts based on actuarial valuation as at the end of the year. Actuarial gains and losses are recognized in the Profit and Loss Account as income or expense.

k Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

l Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date.

Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the Statement of Profit and Loss.

m Impairment of assets

The values of fixed assets are reviewed by the management for impairment at each Balance Sheet date if events or circumstances indicate that the carrying values may not be recoverable. If the carrying value is more than the net selling price of the asset or present value, the difference is recognized as an impairment loss.

n Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

o Borrowing Costs

Borrowing costs attributable to acquisition, construction or production of qualifying asset are capitalized as part of the cost of that asset, till the month in which the asset is ready for use. Other borrowing costs are recognized as an expense in the period in which these are incurred.

p Provisions, Contingent Liabilities and Capital Commitments

Provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

Capital commitments and Contingent liabilities disclosed are in respect of items which exceed Rs.0.05 crores in each case.

Contingent liabilities are considered only on conversion of show cause notices issued by various Government authorities into demand.

q Cash flow statement is prepared segregating the cash flows operating, investing and financing activities. Cash flow from operating activities is reported using indirect method.

- i. Transactions of non-cash nature.
- ii. Any deferrals or accruals of past or future operating cash receipts or payments and
- iii. Items of income or expenses associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the cash flow statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with as specific disclosure.
